

## WELCOME TO ENOCH & LAMEI ORTHODONTICS!

Dear Patient,

We're so happy to welcome you to Enoch & Lamei Orthodontics! From the very first visit, our goal is to make you feel like part of our family—because to us, this is about more than just braces. It's about building confidence, celebrating progress, and making sure you have an exceptional experience every step of the way.

We know you have options when it comes to orthodontic care, and we want you to know what makes us different—and why our patients love being part of the E&L family.

### Here's what you can expect at ENOCH & LAMEI ORTHODONTICS:

#### Two Board-Certified Orthodontists

You'll be seen by one of our experienced, board-certified doctors at every single appointment. We believe expert care shouldn't be an occasional bonus—it should be the standard.

#### Complimentary New Patient Exam

Your first visit includes a full consultation at no charge. We also provide all necessary X-rays, including panoramic, cephalometric, and 3-D CBCT imaging if needed.

#### No Goopy Impressions—Ever

We've eliminated traditional impressions and replaced them with comfortable, accurate 3-D scans for all of our patients.

#### Smile Starter Kit

At the start of full treatment, every patient receives:

- An electric toothbrush or water flosser
- Fluoride toothpaste
- A Starter Brace Kit to help keep your smile healthy and clean from day one

#### Progress Records with Updates

We don't just straighten teeth—we track and celebrate your progress! You'll receive updated records throughout treatment so you can see your transformation.

#### Family Discounts

We offer savings for multiple family members because nothing makes us happier than helping the whole crew smile.

#### Rewards Program

Our patients love earning points and redeeming them for gift cards to their favorite stores—just for keeping appointments, having great hygiene, and following instructions.

#### Experience You Can Trust

Our team has a combined 215 years of orthodontic experience—yes, you read that right! You're in incredibly capable (and friendly) hands.

#### Retainers Included

Once your active treatment is complete, your retainers and follow-up visits are included—because we're committed to keeping your smile beautiful for life.

#### Smiles from Everyone at Our Office

We know that a positive, supportive environment makes all the difference—and our team is here to make sure you feel it at every visit.

We're proud to offer top-tier clinical care in a warm, welcoming environment where patients of all ages can feel at home.

If you have any questions at all, please don't hesitate to reach out—we're always happy to help.

*Welcome again. We're so excited to be part of your smile journey!*

With warmest regards,
